**1. TAKE MEASUREMENTS**

Measure the space where you will place your sofa or j-lounge to make sure you have enough room to accommodate the depth and height indicated in the diagrams below. Our sofas and j-lounges can be modified to fit virtually any space requirement. Indicate your desired width in the space provided below.

\* The above dimensions are general specifications only; normal variations are to be expected due to differences in upholstery types.

**SOFA/J-LOUNGE TYPES (TOP VIEWS)**

Type: **Straight Face**

Height: 32" Depth: 32"

Type: **Convex**

Height: 32" Depth: 38"
